

W8OG Special Event

The Clark County Amateur Radio Association (CLARA) will celebrate the 250th birthday of our nation and the contributions of Don Ream, W8OG, one of the founders of the amateur radio club in Clark County. CLARA will operate a special event radio station using our club call, W8OG, on Saturday, 5 September 2026 starting at 10AM at the Snyder Park Shelter S2 West End North. The shelter is located on Snyder Park Road, just north of its intersection with West Main Street (Nation Road). GPS coordinates are 39.927552, -83.847657.

Initial operating frequencies for W8OG will be: 3.900, 7.280, 14.280, and 28.600 Mhz.

Visitors are welcome. Come out and learn about Amateur radio (HAM Radio). We are taking names for our fall license class to be held at the Enon branch of the Clark County Library.

If you are a radio contact and would like a QSL card please send a self-addressed postage paid business size envelope to Clark County Amateur Radio Association. PO Box 2911, Springfield, Ohio 45501-2911.
